Comments

“ So many fond and loving memories of Bob and Thelma Phillips. They were the most loving people. They were always great teachers and so patient. Enjoyed them at Calvary Baptist in Denison while growing up, spent many a time at their house for fellowships (well, 42 parties).... they let all the kids have the run of the house... think of them often, especially when driving down Loy Lake where they used to live. I cannot express in words how special they were, always making you feel important and loved. Bob and Thelma are definitely singing with the Angels in Heaven now!!! Will be praying for you guys, Elaine/Angie and your families.... love you guys! Jana (Pilkilton) Dennis
