“ My dear Mama, I miss you so very much. It's not easy to get through each day without you here in my home. I know you are at peace now with our Lord. Thank you for all that you have done for me and loving me. Thank you for trusting me with your care. I hope you know, it was an honor to have you with me and my family the last months of your life. You and I had so many plans, but you left me way too soon. I plan to carry out those projects in your memory, and I know your spirit will be right there beside me. You were loved by so many, and they all miss you so much. I know you are singing with Angels and loving your "Heavenly home", you deserve the best! As much as I want you here and I miss my mother, when I feel like my heart can't take the pain...I think of you and remember, you missed your mother just that much too, and I know she was there waiting for you. I will be ok, and I will, see you again! Give my daddy a BIG hug and love to my family there in Heaven. Until I see you again.....I love you mama. Forever in my Heart ShiryI
