“ I remember several years ago Mike telling Uncle James he was a Sky Pilot. I think that is military slang for Pastor. You and Uncle James have guided many folks on their journey to heaven through faith and love. We have always held ya'll close to our hearts. Please know my prayers are with you Aunt Linda and family.

“ James was an integral part of my life growing up in rural Holmes County. He was a role model and continually tried to lead people including myself in the right direction; this being away from evil and toward God. James had a wonderful sense of humor, a great work ethic, and a way with words. James will be missed during the interim until we all get to heaven, what a day of rejoicing that will be.

“ My heart grieves with you but I am thankful he is no longer in pain. Papa is now at peace in a place we can only dream of. He can sing and dance and praise God all day long. How wonderful he must feel. I miss you Papa. I love you Linda Sapp aka Nina. I love the whole family and am sending love, hugs and prayers.

“ When Elder Sapp was ill, we sustained in prayer Jennifer Frost, his granddaughter, as she helped care for him this past winter. So although we do not know the immediate family directly, we feel close to you because the family has been lifted up to God's throne throughout this period of illness. We pray the Lord continues to sustain all of you. We are so grateful of the promise of our Loving God who said, Blessed are the dead which die in the Lord from henceforth... that they may rest from their labors; and their works do follow them. [Interesting that this follows a very encouraging passage: Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. (Rev 14:13,12)] He is coming very, very soon and it will be a very short separation. May those of us who remain, be faithful to the end.
