“ Margaret and I regret missing the service due to another service I was obligated to. My regrets to the family as he was a fine man and came from good stock! We were always hoping to catch up with Ander and get to know each other better. May God be with you, the family.

“ Uncle: Of all the many blessings however great or small to have had you for an uncle was the greatest one of all. The family chain is broken now and nothing seems the same but as God takes us one by one the chain will link again.

“ *Uncle Ander wasn't blood but he never acted that way. He was my Uncle Dave's brother-in-law and always at our Garner family reunions. All the kids got hauled down the road to his house to swim in the pool and he was always around with a smile, a hug, a joke, and kind words. That is really important to a kid/teenager trying to find her way. He was part of what makes Graceville HOME.*
