“ Lois was my Public Affairs Officer when I was the 20th Space Surveillance Squadron (20 SPSS) Commander (2000 - 2002) and had the privilege of staying in touch with her after our time working together. She put her heart and soul into every task she set out to accomplish, and always with outstanding results! Prayers to the Foy family during this difficult time. I know I'll see Lois again someday. God bless...

*So grateful for the time we spent together not long ago. I am happy that she is in her Heavenly home with loved ones. She was a woman of great faith. Will miss her.*
