“ When we attended services at Graceville Church Of Christ We could not have asked for better friends than Tom and Barbara Toole. When my husband broke his leg they came mowed our grass and brought delicious food. They didn't stop at one visit, but came often and added support until my husband was better. We know one day we will see them again. We send our love to the family. Barbara was a beautiful Christian that is a great legacy. Sandy and Bonnie Davisson

“ Barbara was a very special person to me. I never stepped into the Graceville Church of Christ that Barbara didn't get up from where she was sitting and hug me. If church had already started she would get with me before she left. Not long after her first surgery, Ronnie and I rode to her house on our golf cart to get some flowers she was giving me. We rode the golf cart all over her back yard and she showed me some really beautiful and unusual flowers she was growing. She truly loved her flowers and I will definitely cherish the ones she gave me. I will miss you so much Barbara. You are walking the streets of gold now and I hope to see you again one day. Love you soooo much.
