“ Met Nana Beth about 8 years ago when she became a caregiver for our young grandson. You could see and feel the love she had for each of the little ones in her care. You could see the love and trust these little ones had for her. Prayers for her family today and all the days ahead.

“ Some of my fondest teenage memories were spent at your house Nana. You always had a warm hug waiting and somehow put up with all my shenanigans. You'll be missed beyond measure down here, but Heaven sure gained another one of our angels. Love you, Kori

“ Beth you were always closer than a cousin to all 4 of us. We loved you dearly. I remember when mother was in the hospital and you came to take care of us. There is a couple of funny stories with food, when I think of that even through my sadness I have to smile. I remember when you tried to teach us piano. I couldn't read a note, but when everyone left the piano, I played exactly what y'all did. Thank you Beth. You are with Jesus, and loved ones, I know you couldn't be happier.

“ Beth was my cousin but yet so much more. Beth was a lot like a sister then a cousin. She always had a way to make you laugh regardless if you wanted to or not. I could sit for hours and listen to her play the piano, she had a big talent in that. Her crown she receives will be very heavy for she was an angel on this earth. She will be forever missed & her love will forever live on.
