“ My precious Aunt Bobbie that I have a lifetime of memories with so it's very hard to single out one. She was my mother's honorary sister that stood by her until she took her last breath here. She took my mother and 2 little kids in when she barely knew us. She has prayed with me through many things in my life the good and the bad. I really don't remember not having my Aunt Bobbie in my life so she will be greatly missed. My prayers and love go out to all the family and loved ones. Margaret Rogers Tollett
