“ Carol Heisler had the biggest heart of anyone I've known. At first, she was a little hard for me to get to know but once I did...I loved her. She was very kind and thoughtful. I know she will be greatly missed by her family and friends. I'm sad to think of this world without her. I did not see her often but when I did, it was a blessing. She was a Christian and i know i will see her again at the end of this age. I will be praying now for Tom and the rest of the family. With love, Jeanna Curry

“ Carol was a dear friend to Doug and I as a newly married couple. We shared many Friday nights of playing card's together and shared many friends from Avondale High School where she and Doug graduated. She was a great friend and will be greatly missed. Charlotte Hudgins

“ Carol Heisler was very special to me and those who knew her. If she thought you needed something, she was going to make sure you got whatever it was, even if it was just a tissue or a mint. One prime example happened this past week. I had been complaining about having trouble peeling the boiled eggs when I tried to make deviled eggs for an event such as a church dinner. She surprised me by getting me Henrietta Hen for my birthday. Henrietta is an electric chicken appliance that cooks the eggs and makes them easy to peel. She gave it to me Friday, the day before her home going! I miss Carol and will treasure her friendship always.

Carol Heisler was a very special lady. Her sweetness will never be forgotten. She always would come by GHS to make sure I was ok and that things were going with me. She will never be forgotten. Her spirit will live on through my memories. Love to her family ,
