“ I met Db and Catherine in 1998..My husband and I built a home in the area, and we're invited to emz church.We became very special friends. We were able to be a part of their family for over 22 years..We enjoyed years of coffee and conversations, we shared so many secrets our children would blush, but we would love sharing their lives. My life became so much richer. God has prepared a special place for my friend. I will see her again someday. My Charles is welcoming her to her new home. Prayers to all family from mine.
