“ Mike Cotton lit a candle in memory of Clay Walker

“ What a great friend and even better human being Clay was. I remember fondly riding dirt roads, dove hunting and listening to Lynyrd Skynrd with Clay in that white Chrysler of his.... I think it was a Chrysler but the 80's are a little foggy:). We had such fun in PCB on multiple occasions. Clay will be missed and we will be praying for his family during this difficult time. I take comfort in knowing Clay is fishing the streams of heaven as we mourn his loss.

Dear Makayla. Your Daddy and I were drummers together in elementary school, middle school, and highschool. He was/is a very good drummer. I have a picture of him and I playing in a halftime show at a GHS football game. I will send it to you. Send me an email at drums4hireat@gmail.com and I will get it to you. Some of my top memories of growing up in Graceville are connected to Clay. May God's grace be with you and all of your family right now. Very Sincerely, Sonny Fleming.
