“ Clem was such a good person. When I would visit I sat next to Clem and we talked about everything but mostly about football. Clem loved the Florida gators and me being a Bama fan we had a lot to talk about lol. I'm gonna miss those talks and him so very much. I just hate I didn't get have more of those talks, but I know eventually in the end we will see and talk to each other again. Til then I will miss you so very much!
