“ I worked with Sgt Jordan many years and to see the outpouring of love at his viewing proved he was a friend to all and respected by many. Jordan was always there to help if needed, I loved Jordan as a co worker and like a little brother, sometimes he was annoying like a brother but one thing he could always do was make you laugh. I will never forget the good times we had in the control room at the main unit. You're missed by many. Prayers to all your family.

“ *Mr. Jordan wasn't just another person who worked with my mom and dad. He was family. He was always there for us if we needed anything. He always made my dad laugh & kept him safe & sane on hurricane runs and what not. He always made everyone laugh. He was such a bright light in the world. I remember helping him and my dad work on roofs and it was a constant laugh. No matter how many times something went wrong, we always had a smile on our faces because of him. Saying he will be missed is understatement. He was always there if my mom, dad or myself needed to talk. There are so many memories and it'll never be forgotten. Love you big, Uncle Jordan!*

“ Words can't express the pain of losing Jordan. He was an upstanding man and a mentor to so many of us. I will forever treasure our talks and laughs. He will always be in my heart. He was my "tic tac".
The photo is a picture I took on my way home from work on the same afternoon that we lost him. I'm always seeing hearts, but this one will be my Jordan heart.
You will never be forgotten my friend! 💔

“ No words can express the sadness we feel of Brian's passing. He was truly one of a kind. He would stop by our house when he would go fishing. Donnie worked with him and considered him one of the Best. Rest in Peace my friend and Thanks for the memories.

“ *Brian was such a great guy! He loved God so much! He loved his family and friends immensely! He was a kind and generous soul. He prayed for me and my family more days than I can count. I hope he knows how much he was loved. He will be missed greatly! I am thankful for the gift of salvation because we know we will see him again When we meet our Lord face-to-face! Love and miss you, my dear friend!*

“ *Jordan was the best of us, a man who walked the path in a field where it's often difficult to maintain one's faith. You could always find him smiling no matter the situation at hand, a friendly voice in the silence, and an ear to vent to. You will be missed Dennis Jordan.*
