“ I always treasured the way Dianne made you feel loved and welcomed when you were in the same room as her! Starting for me at a very young tween age, scared to be so far from home.

We love and will always miss her. She was a light in our lives, God took a angel but she gave us her love, she was a sweet ,loving and caring Christian woman who had so many talents, she could sing and give us a good Sunday school lesson and do flowers arrangements, omg them chicken and dumplings and her other good food her and brother Wayne brought to church, she may be gone but never forgotten. One of her things she always said other than she was praying for her family and friends to be saved but most of all she kept saying over and over again joy comes in the morning right before dawn. Won't ever forget it . We understand what she was saying now. Love and miss you sister Dianne . You and brother Wayne are happy and singing with everyone to the Lord.
