“ Donna was such an intelligent and caring educator and it was thrilling to know she would be instructing prospective teachers.

We worked together at Silberstein Elementary School, Dallas ISD, and I was so happy for her to be invited to the college in Graceville, FL, the town in which my mother and her siblings grew up.

We have missed Donna, but know she was a blessing to the lives of those near her. Our prayers and sympathies to her family and friends - God bless.
