“ Mr. Carmichael was our neighbor and a wonderful friend. He was always cheerful and you could always count on a wave from him when he passed by on his lawn mower. He was a hard worker and took lots of pride in his yard, his flowers, his home and he truly loved his dog companions. You could often find him in his back yard, tinkering with something that needed repair, smashing cans to recycle, and more recently he had returned to his love of making a worm bed and raising chickens and rabbits. He would have given me the shirt off his back and I would have given him mine. He had such a sweet spirit and we talked a lot when I would take him a meal when we had extra or a piece of cake when I baked. I know God had a special place in heaven for him. My heart is broken from losing a wonderful friend and neighbor but I know he is no longer in pain and free from his struggles in this life on earth. Rest in peace my friend, you will definitely be missed. Betty Sue
