“ I miss Granny so much. It was devastating to learn of her passing within just days of my Daddy...I loved them both...and they loved each other very much. He would talk to her for hours on the phone, and boy did she LOVE to talk :) She always had so much love for everyone...she loved me, my children and their dad, even though she had never even met them. She will be greatly missed by many...my love to the Family...

“ I love you all so much. I am so glad that I got to talk to her when Cricket called, even though she gave me hell for not talking to my Dad for a while. (smile) In my eyes, she was the greatest woman in my life. That woman loved me for just being born, and I loved her with all my heart, and always will. I am going to miss her so much. R.I.P. Granny

Love,

Laura
