I lived out in country, nearby Holmes Creek and remember how sorry I was when Carolyn Decided to get married to Mr. Carnley and went away, she told me to “Miami” and I didn’t see her anymore. I surely wanted her to stay and finish school. Of course, we all know, I was working with a teenage brain and did not understand all her teenage reasoning!!! Another friend Of mine, ida fay Clark (Mr Alfred barfield’s grand-daughter) also left school to get married. She could not wait a year to be married and I did not know enough to understand why she could not wait. And Carolyn was still beautiful woman (after all those years) in the obituary Picture. May God provide rest To Carolyn.
