“*JoAnn, I'm so sorry about your mom. My mother passed away 4 years ago and it's the hardest thing you'll ever go through. You're just never ready to let your mom go, and, you're never prepared to do so. I know how you feel and my heart goes out to you and your family, you're mother lived a very long life, just as mine did...remember the good times, there had to be many.*
