Tribute Wall

“*Freddie and Billie (and extended family), I am so sorry to hear of your Mother passing. I have many fond memories of her and of your family. Your loss is heaven's gain. She is singing with the angels now. We lost my Mom in August. It brings me sadness that you are experiencing the same feelings of loss and grief. You are all in my prayers in the days (and holidays) ahead.*

“ My Grandpa chose this woman Frances D. Bruner as his wife and I gained a woman that became my Granny not by blood but by LOVE, we loved each other like we were blood. My heart is broken to see her go but I know it was her time and she is in no more pain.. I know I will see her again soon in our Heavenly home. I am so grateful she came into my life when she did. Her love, care, talent, friendship and model of a Christian woman in my life was irreplaceable..she will be dearly missed by many and loved forever by me. I know she is enjoying the most beautiful music ever to be heard in heaven, maybe at a piano playing without any pain or at the feet of Jesus the one she loved. I will cherish the many years of memories I have of her and share them and pass them down to my family. My heart looks forward to that day I meet her and all my loved ones that have gone on before! Oh what a day that will be!

I was the flower girl in her wedding and she played piano, sang and made my wedding cake on my wedding day! She loved Keith and Blake and my family as her own as she had always loved me. We loved her just as much. She was there for the birth of my first born daughter Brianna Woody and loved Kyle from afar and when visiting after moving back to Florida. Then her great great grandchildren Easton and finally Brianna's son Miles Edward soon to be a year old she would have loved to hold but ask about on every call, and adored pictures the last year of her life and first of his.
