“ Glen will always have a place in my heart. We dated off and on for a couple of years had loads of fun I have a lot of good memories. I remember the time I hit a deer going to eat supper with him all I had to do was call him and he was there to help. Glen had a big heart he would give u the shirt off his back we had not stay in touch over the years. Glen came by to see me a couple of years ago it floored me to see what had happen to him. we talked on the phone a few of times it was hard for him to talk.
