“*Jan and family, I did not know Mr. Harvey well but I certainly heard many stories about him the few years I have lived in this area. And I will never forget the kindness you showed me when I moved to Campbellton, Jan. I know that if Mr. Harvey was anything remotely close to the stories I've heard and the wonderful example of a true Christian lady you are, then, he was awesome! I know he will be truly missed but I also know that you find comfort in knowing he is in his heavenly home and in the many precious memories you have. May God bless you and your family. You are in our thoughts and prayers. Betty Sue and Tom Bruckner*

“*I was in the little grocery store there in Campbellton back in the 70's. Mr. Harvey Rae was standing at the counter as I checked out. I was buying some cans of potted meat and he looked at me and said, "the last time I opened a can of that, there was a cat eyeball staring at me!" Needless to say, potted meat never appealed to me anymore. He was a lot of fun and I know he has even the staunchest of angels smiling in Heaven. Praying for you all.*
