“ *Dear Uncle Harvey
You are a special gift received from God above ,You started out with kindness than add an abundance of love .He taught me to do many things ,just as if he were my dad ! I could talk to you about anything. Than suddenly things didn't seem so bad ! Your devotion is unconstitutional, to that there is no end and as I got older you became more like a friend .You were always willing to help in anyway you could . You had tremendous faith in me , you just had that special touch ! It"s no wonder dear Uncle Harvey why you are loved so much ! And I for one will miss you more than I can put into words ! RIP Uncle Harvey, we will be together again someday. Love you with all my heart . Love Marylou XOXOXO*
