“ *Sheila,*

Words cannot express the loss you are feeling right now. But I do know how you are feeling cause I have lost a child too. I only got to meet Colton a few times and he was a great person. Never seemed to let his life bring him down. Don't let anyone tell you how to grieve, each one of us is different. I still am not over the loss of my son. Take as long as you want, cry as often as you like, scream as loud as you can. Just now that I am praying for you and you are in my thoughts.

*Love
Shirley*
