“ One the Simmons Family favorite memories of Jackson is when we having dinner together at our house. We were having tacos Gloria was going on about how Jackson didn't like certain textures of meats and may not eat much . Well Jackson ate 6 tacos!!!! And then he said Mrs.Cheryl your tacos are the best and gave me the biggest hug. Of course I give him an extra scoop of ice cream for dessert. We also enjoyed our ever Tuesday night dinner at Applebee's. Where our families would just laugh, talk, and eat way too much!!! We ate together every Tuesday for months and the memories we made together will never be replace. Jackson had the best imagination and we would love his stories! His bright smile made my heart smile. We love you Jackson . The Simmons Family.
