“*My thought and prayer are truly with the family at this time. I only got to know Jane for about a year at Mathison as Activity Director. She was such a delightful I loved her sense of humor and considered her a friend as well. She will always be remembered on Friday when play WII bowling it was one of her many things she enjoyed. I have yet to see anyone as good she was. I'm deeply saddened as well and there certainly a void at Mathison she was very well liked by everyone, she was just a true kindred spirit and I loved her zest. Best Regards Randy C Patton, Activity Director*
