“ *Jerre was one of the nicest men I ever knew. He was a true Southern gentlemen. He and Peggy raised two fine children and our community was blessed to have their family here. Patte and Tim, and the Nettles family, have my sympathies during this time of mourning.*

I worked for Jerre as his secretary at Russell's. I just found out he had passed away. He was such a wonderful person. I have worked for a lot of different people thru the years. I have never worked for someone who was so nice and thoughtful to his employees. I will never forget him and how kind he was to me.
