“ Dear David, Stephanie, Sophie, and family, With much sympathy and prayers we are lifting you up. Joelle, such a precious angel here on earth is now a heavenly angel in that great choir in heaven. I know there were many there to greet her in her new home and hold her as you have so graciously loved here during her 16 months. You were the greatest parents and I thank you for that. Please know that we love you and wish we could be there during this time. Prayers and love always, Aunt Carol & Family
