“ I have not seen Baby John since he was a child! I remember that big smile, a thick crop of blond curls, and that he was so loved. My condolences and love to Janice and Johnny for their loss. The photo I am posting is of Baby John with his paternal great-grandmother. Rest In Peace John.

“ Where do I begin , John Walker (Babyface) you meant a lot to so many people. Always a happy go lucky person . If you saw Jason you saw John. On our Family's worst day when Jason passed away I remember how John stepped in and filled Jason shoes in my wedding, and how he would go out of his way to check on my Momma and Daddy. John will forever be in our heart, and be greatly missed.
