“ My husband and I send our sincere condolences to Mrs. Norsworthy's family. She was a lady that spoke her mind and always talked about her family and how proud she was of them. She took good care of her dogs and was always appreciative of Dr. Woodham's advice even though she didn't always follow it when it came to feeding. Sad she is not here but glad to know she is with God and that we will see her again.

“ I worked with Johnnie at Chipola Mills back in the middle 70's. We had lots of fun as we worked and packed boys jeans. Such fond memories of her. Lost contact with her over the years but never forgot about her. Rest in Peace
