“ My mama my best friend. So very much I want to say about how amazing a person I seen ever since I was little. Many things stand out in my mind. When we were little she went around to the elderly shutins to read the Bible with them. I will never forget getting to go with her to each home and how happy the sweet elderly ladies were each time we showed up. Listening to her voice read scriptures or singing in the choir next to her at 13. Hearing her kind voice when I was little speaking kindly caring for Aunt Hallie and so many others through her life. There were a few foster kids too in my memory as a kid little redhead girl that came to stay with us how sweet mama was with her... It's way more things like cleaning the church where we attended church and there were 6 bathrooms it was an honor to do. I am very happy with the mama God sent me to how lucky I am the good things mama did all the years God gave her to be our mama will stay in my heart and mind the rest of my days I'm thankful. It just wasn't enough time though. Never enough. I will see you again mama. I know it. Miss you.

“ *Beautiful Nana, I remember watching the Mystery Science Theater 3000 with you when I was little. I loved my summers with you in my teen years. I'll never forget your beautiful and inviting smile. You were precious. Your smile and tenderness could melt away any troubles. I'll always be your Ashie. I miss and love you so very much! So happy to paint your nails and I know you'd love the color, Mauvin' on up! Yes, yes you are. Yes, you have! In the presence of Jesus. I'll see you again.*

Judy and had been together almost eleven short years. Judy had such a good heart n soul I love that lady so much. There's a piece of my heart gone now and my only regret is that I couldn't take her place so she could live longer.
