“ Cheyenne and John Ross....words can not express how truly very sorry I am. Thank you both for allowing me to be "grandma". From the moment I held Kolton I instantly loved him. He will forever be in my heart. And though it doesn't make it any easier right now, we will see him again one day. At least we know he is in the arms of Jesus and no longer in any pain. I do love y'all very much and your dad and I will be here to help y'all in any way we can. Rest easy Kolton....we love you so much baby boy!
