“ *I can't believe you're gone. I keep waiting for you to walk in the door or call me. Life is not going to be the same without you in it. We've been through so much together. But there is one thing I know for sure and that is, the fact that we have 2 wonderful sons and 2 beautiful little granddaughters!!! They all know you loved them with all your heart and soul. They love you just as much!! I don't know how I'm gonna do this without you always being there for me Larry. But I promise I will do my best. You really were my very best friend. I will always love and miss you!!*
