“ Almost 2 years since Liisa passed away. She is remembered daily in my thoughts. To know I will never hear her laugh or see her walk through the door brings tears to my eyes. She had a difficult time with cancer and never complained about the pain. What a trooper.

I love her and miss her  so much. The pain is as fresh as the day I found her after coming home from work. I can still see her in my minds eye.

I am thankful for the year in a half of time we had to together

It is still so difficult without her.

I know I will see her again in heaven.

“ Dear Liisa Myers' family,
I am so glad to have met our sweet Liisa. She had a kind loving soul and seemed to enjoy her time with her loving sister Kai. Even though her time was short with her, it was very good. She loved being pampered by her sister. Lots of laughter was shared and the memories will be treasured. Knowing there is a star shining from heaven with her name on it makes the night sky brighter. Keep her memories close and your heart will soon feel comfort.
