“ *I miss my aunt. She is a wonderful person and was like a mother to me. We fell out of contact years ago and I am saddened to learn of her passing. I would much like to attend any ceremony for her.*

“ *Beautiful lady, on the inside as well as the outside. Miss Loma and Miss Ruth were my mother's best friends for a lot of years! I'm sure they are sitting around a table together in Heaven, right now!*

“*Mrs. Loma was very creative and was a great cook. She made beautiful Christmas ornaments by hand. Each year she made a few more until she had a tree full. She also made the best fig preserves. I loved them so much that she taught me and Becky how to put them up. I have always put the figs up just like she taught me; whole and candied. You never stir the figs. Mrs. Lima you were truly amazing. Thank you so much and thank you for loving my brother Audy so much.*
