“ I always look for her on facebook to reconnect and could never find her. I'm so sorry for your loss. We were friends in Pensacola from 5th grade to 7th grade. Loved her. She was the best.

“ I would like to wish all the sympathy that I can to the family. I remember Lori as a child, when all of us children would be playing at Mrs. Faye's house. Her brothers, Jamey, and whoever else may have be around, there was no telling what children may have been at Mrs, Faye's and Mr. Morgan's house back then. She will truly be remembered. I am truly sorry that all family and friends are having to go through this. No one should be taken with so much life left to live.

“ Ms. Glenda you are in our thoughts and prayers. Please let Eddie know that we are thinking of him. I called Hunter tonight to let him know to pray for him during this time since they played ball together. May God grant you peace and comfort.
