“ My grandmother Jane Owens was from Graceville, I wonder if we ever met at a reunion in the 90s... Rest peacefully cousin, I just learned about you through DNA family tree on 23andMe.

“ Lucretia started coming to our office when she retired after her diagnosis and surgery. She did not dwell on her condition and was determined to do what she could and leave the rest in God's hands. She fought but was not angry when she did speak about it. She love her family and was especially proud of her Jody. She took good care of her 4 legged family including the ones that happened to wonder up. Our sincere condolences to Jody, Kevin and all those who loved her. We will miss her. She is healed and at peace.
