“ We were neighbors on Graham Circle in Graceville in the mid 1970s. I didn't know Mark served in the military. I would have liked to thank him for his service. My deepest condolences to his family. Many happy memories of good times spent with all the Obar siblings! I think "mischief" was a trait of all the kids in the little neighborhood!

“ *My mischievous brother you will forever be missed all the adventures. We shared fun times and mischievous times the practical pranks we played on each other the laughter in the sun. We took life so lightly back in the day as we got older. It got more serious. You will be forever missed my loving brother and you will be missed on GRACEVILLE high school football softball track baseball games. You was always such a great supporter, especially back in the 80s and 90s may you rest in peace my brother. 🇺🇸*
