“ While visiting my son and wife Amanda, we ate dinner one night at Mickey's. He cooked some of the best fried chicken and peas we had ever tasted. He loved to cook and share with others. He was quite the character and will be missed by all.

“ Mickey and I worked together many years at West Florida Electric Co-op. I ran into him at a grocery store in Chipley last Sunday. Anytime I saw him out and about, I was glad to visit, but that day was kind of different. I just felt the need to hug him that day. I'm not a big hugger, usually just shake his hand. I'm so glad I did. He seemed in good spirits, as always, same ol' Mickey to me. So glad we had those few minutes. Once again, as many times before, I had a chance to tell him how much I appreciate all he did for me during our many years working together. Among the many valuable things he taught me was how to make homemade dumplings. - JR Willis

“ So sorry to hear that Mr Woodham passed away  
He was such a kind and sweet man  
I met him while working at one of his doctors office. He always talked so kindly about his family and always had a fishing story to tell.

Met Mickey through my husband 23 years ago.  
He and Tamphus have been lifelong friends and fishing buddies.  
What a great guy.  
Loved his stories and his old time southern hospitality.  
Always a smile on his face and a welcome when you stopped in.  
He will surely be missed.  
we were blessed to have known you and to call you friend.

Howard and I are so sorry to hear of Mickey's death. Mickey was a great friend to us and we will surely miss him. He was at our house just a few days ago. I have good memories of him also at Poplar Springs. Prayers for his family.
