“ We are so very sorry to hear about Ms Mildred. We will always remember the years she worked at the IGA in Graceville and how very kind she was to our family. She also gave me a dog in January of 1977 that we had until January of 1991 and he was the love of my life.

Please know you are all in our thoughts and prayers.

“ Such fine memories. I knew you first as one of 3 ladies who waited on customers at Piggly Wiggly in 1962. You & Fred were a great couple and I loved you both. So glad I was able to see you several months ago. Now go fly with the Angels as you are surely one of them now. Blessing to your family, Sara & Will.

“ *My Sweet Aunt Mildred,*

I love you so much, and thank you for your kindness, and love. I have the best memories of the time I spent with you, and Uncle Fred. You were the best cook, and I loved your pecan pies. You always made me feel so welcome, and taught me how to cook southern food. I always wished I could have spent more time with my Dad's family - I feel like I missed so much. I am blessed to be part of your life. Rest in peace until we meet again. Give my Daddy a kiss from me. Linda
