“ Mincie was a kind and generous soul who saw only good in others and who contributed her life in service to others. She and her husband were advocates of seniors in their community and service to their health and welfare. They served the SHINE program with commitment and purpose of that service. I will miss Mincie very much and her presence in my life.

“ *May God's Peace be your companion today. For three very loved children to be called upon to say earthly goodbye to both parents within less than 2 monthsGod's Loving Peace is surely necessary to provide you the needed strength. That is my prayer for you all today, and in coming days.*

Mincie's training and her application of that training served her and the Housing Authority well. I hired her and saw her to retirement. She was smart to retire early enough to allow herself and R. J. to travel, which was a mutual desire and one they made joyful, according their reports. Those are memories you all can enjoy as the sharp edged grief wanes a bit, with God's help.

You will also enjoy pride and peace in your heritage knowing that the two of them made such great contributions, not just to you, which only you know; but to their church and the community. Two "Holmes Countians" who truly "Did Well", as our local radio broadcaster of years ago, J. Harvey Ethridge, used to single out for recognition with great pride.
