“ She will be deeply missed. To a wonderful wife, mother, sister, grandmother and friend. She always made you feel welcome when you were in her presence. My greatest memory is of our last trip together Rhonda and I and our two moms took a cruise to Bahamas and Cayman islands. Happy times. Rest in peace with God in heaven and keep an eye on us.

*“ When i began working at GES i was a fish out of water. I came from Alford school, i was 6 mo. Pregnant and i was nervous. Nancy took me on a tour of the school, introduced me and became a mentor to me. Nancy and i worked in ese for a couple years together and she taught me alot. Recently when my mom passed she sent me a card. That's just how thoughtful and caring she was, we hadn't seen each other in quite some time but she was praying for me and thought of me during that difficult time. Nancy loved her family and i know she's in heaven with dale. God received another angel and i know she will be watching over all her friends and family as she always has. She will be missed*
