“ I only got to meet her a couple times. Those couple times ment the most. She is a very wonderful woman. I saw a video of her on YouTube telling her life story. Its wonderful to hear her history and her laughs as she told her story of life. We love you.

“ What a comfort to know she's in the arms of the Jesus she loved but even that same Jesus wept with those that wept. Distance doesn't limit our tears. Much love to this family.
