“ Sherry was a special friend and relative to everyone. She is already missed by those who know and love her. It will not ever be the same without her. She was a sweet Christian lady and lives today with Jesus and the Amgels. I know she is happy there. Sherry, I will love you, always. Your friend, Jessie

“ *From that first day you came into our family in that very special way(to us), I've always loved you. Even as a young child I never wished that you had not come. I never wished that you would leave. It always felt very natural. You touched our lives in so many ways. You will always shine in our hearts. Tomorrow will be difficult. Thank you Lord.*
