

Dr. Sidney "Sid" Curry

August 26, 1948 - July 4, 2024

Dr. Sidney (Sid) Curry of Atlanta, GA, passed away on July 4, 2024, from complications of prostate cancer. Dr Curry was born in Dothan, AL on August 26, 1948, to Sarah Smith Curry and Rupert Charles Curry, Sr. Sid graduated from Florida State University and was a brother in the Sigma Alpha Epsilon Fraternity. He later graduated from Bowman-Gray College of Medicine (1975), Wake Forrest University. He was a board-certified dermatologist and a Fellow of the American Academy of Dermatology. He began private practice in dermatology in Atlanta in Buckhead and surrounding areas until his retirement. He specialized in skin cancer diagnosis and treatment. There are thousands of patients in the Southeast who looked up to him as their doctor. Dr Curry was a former member of the First United Methodist Church in Graceville.

Dr. Curry is survived by his brother, Rupert C Curry, Jr MD of Winter Park, FL and his family- Susan L Curry MD, Rupert C Curry, III, & Catherine S Curry, his former wife,

Mary Sue Curry and their children: Sidney Smith Curry, Jr., Jan Martin Curry, Edward "Eddie" Rupert Curry, and Oscar Houston Curry.

A Graveside service to be held at the Marvin Chapel Cemetery at 10 am on Monday, July 22, with Rev. Jerry May officiating, James & Lipford Funeral Home in Graceville directing. Everyone is welcome to share in the Celebration of Sid's life. Refreshments will be served immediately after the service in the fellowship hall of the First United Methodist Church in Graceville.

The Curry family ask for donations to the First United Methodist Church of Graceville in lieu of flowers.

“ I was so very sad to hear of Doctor Curry's death. We worked together in his Atlanta practice for many years. As his assistant he taught me so much about aspects of patient care. His patients loved and respected him because he shared the truth with them. He was a gentle soul.
