“ sue Ann was the first friend i had when i moved to Graceville from winter park. We lived across the road from each other and i would help her clean out her daddies school bus ,, eat watermelons that they grew and then she’d ride me all over our little area on her dirt bike!! We always had the best time . I was glad to have known her so long.....we would catch up here and there when I’d be in town and she always had the best attitude...always. She will be missed ❤️ Prayers for the family.
