“ To The Family of Mr. Tommy Hunt,

I was so sorry to learn of the passing of your brother, uncle and very dear friend. Tommy was a very nice and kind person. He never met a stranger. I know he will be missed. I had alot of great times with Tommy growing up at Grand Ridge High School. He was always a very dear friend to me.

Please take care and remember all of the great times you spent with this very nice man. Tommy is at a better place now, no more suffering or pain. God bless all of you.

“ Tom was a dear friend although we were reduced to texts and calls since his move to Jackson County. I have so many lovely memories - from going to a concert by his idol Lady Di, to working on floral arrangements And handling events together at the FSU Alumni Center and University Relations, to sharing quotes from Steel Magnolias. He was funny and charming and I loved him "better than my luggage." May angels sing him to his rest.
