“ I dearly loved my aunt Wilma and always remember how she exalted God in all things. She was a true inspiration to me and I credit her for me wanting this Jesus she so often spoke of. Also, as child I can remember hearing her praying for her children and uncle Charles. She was a pillar house of faith a truly a walking bible. She has finished her race that set before her and left such an amazing legacy for her children, grandchildren, and great grandchildren.

When I think her I am reminded of PROVERBS 31: 10 - 31
But a woman who fears the LORD. She shall be praised.

Psa 116:15

PRECIOUS in the sight of the LORD

Is the death of his saints.

Praise God 🙌 she is home

Love you Aunt Wilma

“ I know Sis Barrentine is sitting at the feet of Jesus rejoicing. Although it has been several years since I seen Sis Barrentine everytime i saw her she would always tell about the time she came and prayed with me at the altar when I was 10 years old. She said," the Holy Spirit told me to go pray with you and that He would fill you with the Holy Ghost," she obeyed and I was filled. A memory I will always remember and cherish. I can hear the singing in heaven now. Thank you for the impact you made on my life many years ago.

“ A great woman to know and love! She was the best mother in law anyone could ask for! She model for me what a mother in law should be like and now I will be the same!
She loved God through out her entire life. Wilma would fight for you in prayer and has believed that all her children, and great grands would know the Lord!
I remember one time after having her grandbaby, I looked at her and said I think you and I have the prettiest babies! Lol! She said yes we do! Love you Wilma with all my heart ❤️
